Funding Year 2009 Form 471 Postmarked Outside of Window Letter

I know the deadlines are my responsibility, but I have been "wearing two hats" since the beginning of September 2008 when my school Principal abruptly resigned one day before the school year began. Much of my energies in September through January were used to ensure the efficient day-to-day operations of the school (acting Principal); seeking, interviewing, and hiring a new Principal (who actually started 6 January); and continuing my role as President (aka fundraiser, bookkeeper, seeking and cultivating board member and new donors, etc.) of the school.

We are a small, faith-based middle school that was established in South Camden (since 1997) to educate underserved boys (100% of our students qualify and participate in the Federal Breakfast & Lunch Meal Program). We are non-tuition driven school that really depends upon these monies to pay for our internet and telephony needs of which directly impact upon our students' learning. With the current state of the economy, further cuts in our budget revenue will mean further financial burdens that may threaten our sustainability.

I would sincerely appreciate reinstatement of Form 471 for 2009-2010.

Sincerely,

Br. Joseph Juliano FSC
President
